CANDIDATES COMING OUT

The Fruit Trees injured by the Recent Frosts-The County Court to Grant Liquor Licenses at Coming Term.

There will be at least two changes in the Board of Supervisors of Henrico county after the next election. Two of the most prominent members, both of whom have been on the board many years, will retire, one to run for another office and the other to get out of public life.

It was stated positively yeaterday by Mr. John E. Rose, the member from Brockland, that he will not be a candidate again. Mr. Rose, when he retires next January, will have served ten years and six months. He is one of the best known members of the board. It is teported that several aspirants for the position he will vacate have appeared, among them the following: Constable George H. Waldrop, Mr. Penicks, Mr. Saunders and Mr. Herbert Floyd.

Mr. V. Hechler, chairman of the board, will retire to run against Mr. W. H.

Mr. V. Hechler, chairman of the board, will retire to run against Mr. W. H. Brauer for treasurer. Mr. Hechler has been on the board twelve years and has been its chairman for the past ten years. He is the member from Fairfield, where several likely candidates are appearing. Among the names being mentioned are the following; Mr. Waiter Bowes, Mr. Albert Franck, Mr. P. M. Houston and Mr. S. Archie Allen.

Mr. Browning, the member from Tuckahoe, has just definitely decided to run again. After some consideration he stated positively yesterday that he would be in the field this year.

Mr. W. B. Frazer, of Varina, has not yet settled upon his course. He said yesterday he would make an announcement in about a week,

Recent frosts have done more or less samage to crops in Henrico county. In certain sections fruit trees are badly injured and the yield will be considerably curtailed. On the other hand/certain sections escaped almost unscratched. Fegetables suffered less than fruits. There is quite a demand in Henrico just now for farms. The prospective purchasers are Western men who want to settle here.

Mr. Robert Carter, who for the just ten years has been superintendent at the Lakeside Park, has resigned and gone to Charlotte county. He has bought a farm there and will go in for stock raising. He has been succeeded at Lakeside by Mr. H. W. Beattie.

A negro man named Tom Turner is in the county jail charged with stealing a platol from Stanley Taylor. He was ar-rested by Special Officer Irving Mills, who had a lively chase after the negro before he succeeded in catching him.

The County Court will meet next Monday for the regular April term. No special cases are up this time. The chief event of interest will be the granting of liquor licenses. A large number of applications have been posted in front of the courthouse.

DOWN-TOWN SERVICES OF BROTHERHOOD MEN

spiritual grace."
At the conclusion of the services the Rev. Mr. Clarke, like the Rev. Mr. Semmes the day before, was surrounded by many of the gentlemen present and was warmly thanked for his onlightening and helpful discourse. These down-town meetings are already a great success, and a much-increased attendance is anticipated for to-day, when the Rev. W. E. Evans, rector of Monumental Church, will have carge. The Brotherhood men invite not offly all Episcopalians, but men of any or of no denomination to join them in this daily interval of worship of our Saviour.

While it was not generally known that His Excellency had in mind the appointment of Colonel Lane, yet the announcement caused no great surprise, information as he and Governor Montague were schoolmates, and have been close personal and political friends for many years.

The Senate took but a few moments to consider the nomination, and then confirmed it unanimously, and the appointment was received with much satisfaction by the public men about the Capitol. The new Hospital Commissioner is expected to fill his position in a most satisfactory manner, as he is regarded as a man of fine business qualities.

COST OF THE FESTIVAL

Wednesday Club's Anniversary Celebration Will Cost a Cool \$5,000.

Wednesday Club officials are casting about for a plan to raise the subscription list to three hundred and fifty members. This number is needed in order to meet the guarantee that has to be paid to the Boston festival brehestra and the ten eminent soloists who are to appear in the annual festival of the organization. The festival scheme this year is the most elaborate ever devised by the directors. That it is along popular lines is a fact that seems to suggest the success of the festival, but the expenses are in the neighborhood of \$5,000, and the club's directors are anxious to have a guarantee list that will let them off the anxious bench before the sale of seats for the festival opens at the Academy.

The offices of the club have been opened at the usual place, \$21 East Main Street, where intending subscribers should Wednesday Club officials are casting
